Government Caucus Whip

Mr. Paul Siller
Transportation Manager
Rocky View Regional Handibus Society
PO Box 3235
Airdrie, Alberta

Dear Mr. Siller:

Thank you again for your recent correspondence expressing your concerns about the funding of specialized transportation services in Alberta and meeting with me back in March.

My colleagues, the Honourable Guy Boutilier, Minister of Municipal Affairs, and the Honourable Ed Stelmach, Minister of Transportation, are reviewing specialized transit services to determine where additional funding is needed and where it will be best suited with regards to this issue, in addition, to exploring more efficient and effective means of delivering specialized transit services to those Albertans in need. Both Minister Boutilier and Stelmach have assured me that reviewing specialized transportation services, as requested by the Alberta advisory Committee on Barrier-Free Transportation, will be apart of their agenda to bring forward recommendations in the coming months.

Let me reassure you Mr. Siller your questions and concerns will not go unreciprocated.

I very much appreciate your taking the time -on a few occasions- to relay your views to me on pertaining to this matter.

Sincerely,

Carol Haley
