Dear Mr. Siller:

Thank you for your letter of December 7, 2004, which reiterated your concerns about specialized transportation services in Alberta.

As requested, I have forwarded a copy of your materials to my colleague, the Honourable Lyle Oberg, Minister of Infrastructure and Transportation, for his consideration. As well, I have taken the liberty of forwarding a copy of your materials to the Honourable Heather Forsyth, Minister of Children's Services, who also has some interest in specialized transportation issues.

I appreciate you taking the time to share your thoughts on this issue, and look forward to learning more about the challenges and opportunities associated with these services.

Sincerely,

Rob Renner  
Minister
